(Designation) Chairman, Municipal Council, Mangalore

To The Secretary to the Government of Madras,

FORT ST. GEORGE, MADRAS.

Sir,

I have been asked by the municipal council to request Government for a reconsideration of the orders contained in G. O. No. Ms. 1353, L. E., dated the 29th July last, refusing to sanction the debit to the Elementary Education Fund of a sum of Rs.25 being the charges incurred on the deputation of school children to the children's conference at Vittal in November 1932. The conference was confined to purely education matters. The object and aim was to collect together selected school children and educate

them by mutual exchange of knowledge. A most interesting-programme was drawn up which was of immense benefit to the children in the matter of improving their talent.

I request therefore that Government on a reconsideration of the orders be pleased to accord necessary sanction.

A copy of the council's resolution is enclosed.

I may point out that in Europe the system of holiday excursions and conferences for children is well recognized. We regret there was a mistake in not consulting the Deputy Inspector of schools before sending the children. But the mistake will not be repeated.

2. A copy of the programme of the Conference is enclosed. I am unable to understand why only four pupils were sent with the two teachers at a cost of Rs.25/- to public funds, to participate in the festivities and I see no reason for recommending a revision of the orders already passed by Government.
